## RULES & REGULATIONS AND SAFETY INFORMATION

### Rules & Regulations:

- Foods & beverages (alcoholic and non-alcoholic, except bottled water) are not permitted in the Theatre space.
- It is strictly forbidden, by law, to smoke anywhere in the building
- The maximum capacity of the theatre is 196
- No obstacles (tables, chairs, etc.) are to block or limit access to exits
- Maintain cleanliness in lobby, theatre, washrooms, and backstage area at all times
- No one is permitted on the overhead catwalks
- Nobody is permitted under the seats
- Only staff and dancers are permitted on stage and in backstage areas
- Follow all rules and guidelines set out by your teachers and theatre staff
- Do not touch any equipment or curtains
- Do not move anything without expressed permission of theatre staff
- No use of glitter
- No one associated with Etudes Dance Studio, as a parent, guardian, dancer, or observer, is permitted to be intoxicated or drinking during the duration of our dress rehearsal or show (9 AM-9 PM) on Sunday, June 28
- All persons must comply with all the laws of Canada and the Province of Alberta and all other authorities, and with all rules and requirements of the Police, Fire or Government Agencies

### Safety Information:

**In case of a power outage:** Emergency lights will come on by the exits and stairs. Everyone will exit the space and gather in the lobby. If the power does not come on within half an hour, the group will gather their personal belongings and the call will be cancelled for the day. In the past we have had groups take that time as their lunch/dinner (one-hour break) and returned to the power being restored. Power outages in the area are typically resolved between 1 and 3 hours.

**In case of a fire:** If it is safe to do so, the group will exit through the lobby and muster at one of the four corners of the property. If the lobby is not a safe exit route, everyone will exit through the stage left side doors and exit through the doors to the rear parking lot (if you are in the audience, Stage Left is on your Right side). There is a fire extinguisher behind the pillar on stage right, one in the shop, and one in the booth. Pull stations can be found at all fire exits (Main theatre doors and SR/SL exits). When your group is in the space, please take a moment to note what exits are closest to you. The situation will be evaluated by our staff and they will inform you and your group as to how we will proceed.

**In case of a dangerous person in the lobby or building:** If it is brought to the attention of the group/technician; all theatre doors will be closed and locked. The group may continue if they feel safe to do so. We ask that no one exits the theatre until it is clear to do so. *(If you notice a person of interest, do not approach. Please inform a La Cité Francophone staff member immediately so we can handle the situation.)*

**In case of sprinkler activation:** If a sprinkler head is damaged, it will activate all sprinklers in that area. The technician on duty will be given a document explaining how to shut off the water main. However, by the time the technician reaches the shut off, gallons on gallons of water will have already entered the space. Because of the possibility of electrocution, DO NOT enter the water. If this happens, your time in the space will be immediately terminated for the day and we will be in touch about how we will continue once the situation has been evaluated by our staff. **\*Do not hang anything on the sprinklers or their cages, do not store props or tall items close to sprinkler heads, BE VERY AWARE OF WHERE THEY ARE\***

**First Aid:** There is a first aid kit in the beige cabinet backstage, or on the small table next to the mini fridge just past the stairs in the shop. Please have everyone from your group make themselves known if they are First Aid Certified.

**Restricted areas:** No one is to enter the catwalks, grid, or booth unless given permission or they are a tech working the show. The grid and catwalks can be very dangerous and anyone up there needs to be under the supervision of a Théâtre Servus Credit Union technician. Please do not enter areas with padlocks or signage signifying the restrictions.
